

Notice of pipeline diversion work off A446 (Lichfield Road) near Water Orton

July 2019 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Cadent will be moving underground gas pipelines in the Coleshill area until 2020, to allow for the construction of the new railway and to continue to ensure a safe and reliable gas supply.

We will be starting main works to move one of these pipelines at the beginning of August 2019.

What are we doing?

We will be working on land either side of the A446 (Lichfield Road) near the junction with Watton Lane, while we move this pipeline.

We will use our existing temporary works compound at the former Old Salts Rugby Club site south of Watton Lane, as our main site. We'll access the work sites using existing accesses on Watton Lane and Gorsey Lane.

Work to move the pipeline will include:

- Digging a trench for the new pipeline route
- Boring a tunnel underneath the A446 (Lichfield Road) to avoid closing this important road
- Welding the pipe together then installing it in the trench
- Connecting and testing the new pipe

There will be 24-hour security on site so we can maintain a safe working environment. Please note, there will be no on-site lodging.

How will this affect you?

While there may be some low-level noise, we do not anticipate this work will cause any disruption to local people.

Standard construction vehicles and equipment will be used, and work will take place inside usual working hours.

There will not be any disruption to your utilities during our works.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between London and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

About our Commonplace websites

The planning and construction of HS2 is a huge operation – it is currently the largest infrastructure project in Europe.

It's important to us that you are kept up to date about the progress of the Project and any work that may impact you or your community. We have a series of community-focused websites where you can find out what is happening in your local area and sign up for updates about our activities.

Our Commonplace sites currently serve Birmingham, Bucks and Oxfordshire, Cheshire, Euston and Camden, Hertfordshire, Hillingdon, Northamptonshire, Old Oak, Solihull, Staffordshire and Warwickshire. More sites are being prepared to serve other areas.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
